

适用范围: 广泛适用于各行业，需要“#”字型捆包的物料使用，对于纺织、纤维、海绵等松散物料尤为适用，使用三边开门方式，捆包便捷。

Scope: Widely use in all kinds of industries, and materials which need “#” shape strapping, especially suitable for textiles, fiber, foam and loose materials, three doors can be open, easy to tie bales.

产品说明 PRODUCT INTRODUCTION

双柱三边开门式，可实现“#”字型捆包。
可选用电动或手动阀操作，安全可靠。
适用于轻质材料的压缩打包。

Double column and three sides door open, allow tying bales in # shape.
Controlled by electrical button or alternatively manual valve, safe and reliable.
Applicable to compress and bale lightweight materials.

机器参数 DATA SHEET
